INTRODUCTION

GPS Industries LLC ("GPSi") hereby warrants to the Original Purchaser or Lessee/Licensee ("Customer") and subject to the provisions, limitations and exclusions in this limited warranty, that the Visage GPS unit purchased, leased, or licensed from GPSi, an Authorized Dealer or Authorized Distributor shall be free from defects in material and workmanship under normal use and service, subject to the provisions, limitations and exclusions in this limited warranty.

Provided that the System is maintained properly pursuant to Customer's obligations set forth herein, GPSi warrants, and subject to the provisions, limitations, and exclusions in this limited warranty, that the Visage GPS unit will provide distance measurements within established performance parameters pertaining to system components when the system is operated under conditions that are typically encountered on a golf course, specifically but without limitation: clear access to satellites and reasonably clear weather with temperatures between 32 °F (0 °C) and 120 °F (48.9 °C). Customer acknowledges that GPS-produced distances are subject to a margin of error. Customer further acknowledges that terrain and topography affect the margin of error on a particular GPS receiver and that the margin of error may be increased under certain topographical conditions.

This limited warranty covers material, workmanship and repair labor cost as to those items specifically listed below for the periods specified. Such repair labor shall be performed only by GPSi, its authorized dealers or distributors, or a service agency approved by GPSi. For repairs made by qualified technicians other than GPSi's factory technicians or an authorized dealer or distributor, GPSi will provide only the replacement parts or components.

EXCLUSIONS

In addition to the foregoing, the provisions of this limited warranty shall not apply to failure due to the following conditions:

1. maintenance, repair or replacement of parts damaged or failing to operate due to acts of God, including without limit storms, atmospheric disturbances, lightning, fire, hail, and flood; acts of government, including war; catastrophes, accident, neglect, misuse, failure of satellites, failure of electrical power, fault or negligence of Customer;
2. causes external to the System or from any other cause beyond the control of GPSI;
3. service and repair of accessories, attachments, or any other devices that are not part of the System;

4. changes, modifications or alterations in or to the System required due to new construction or changes to the golf course or facilities;
5. graphical changes after acceptance of the System;
6. software damage caused by unauthorized use.

Without limiting the generality of the foregoing in any way, and as part of its limited warranty exclusion, GPSi does not warrant that the GPS unit or components are suitable for use in any application other than in its products. As in the use of any vehicle, batteries, computer, controller or electrical device, a prudent owner or lessee will read and study the owner's manual, the operator instructions and the warning labels; and will exercise due care in working on or around vehicles, batteries or electrical devices.

Transportation expenses for warranty services are also excluded from this warranty.

VOIDING OF WARRANTY

This and any other warranty shall be void if the GPS unit or component is abused or used in an unintended manner or shows indications that it has been altered in any way to cause it to perform outside GPSi specifications.

SOLE REMEDY

GPSi's liability under this limited warranty or in any action whether based upon warranty, contract, negligence, strict product liability or otherwise, shall be the repair or replacement, at GPSi's option, of the vehicle or component thereof that GPSi deems to be defective. Replacement shall mean furnishing, during the applicable limited warranty period, a new GPS unit or factory-reconditioned unit or component thereof that is identical or reasonably equivalent to the warranted product or component at no cost to the purchaser. Repair shall mean remedying a defect in the GPS unit or component thereof at no cost to the purchaser during the applicable limited warranties.

All parts and components replaced under warranty shall become the property of GPSi.

DISCLAIMER

This limited warranty is exclusive. GPSi makes no other warranty of any kind, expressed or implied. Any implied warranties of merchantability or fitness for a particular purpose are hereby disclaimed by GPSi and excluded from this warranty. The purchaser or licensee/lessee and GPSi expressly agree that the sole remedy of the replacement or repair of the defective GPS unit or component thereof is the sole remedy of the purchaser. GPSi makes no other representation or warranty of any kind, and no representative, employee, distributor or dealer of GPSi has the authority to make or imply any representation, promise or agreement, which in any way varies the terms of this warranty.

In the event that another pre-printed warranty document, certificate or both offered by or through GPSi at the time of sale of this vehicle (each an "Additional Warranty Document") is deemed to conflict with the limitations or exclusions contained herein, the limitations and exclusions contained herein shall continue to apply to both this limited warranty statement and, to the maximum extent permitted by law, to each Additional Warranty Document.

NO CONSEQUENTIAL DAMAGES

In no event shall GPSi be liable for any incidental or consequential damages including, but not limited to, loss related to property other than the vehicle, loss of use, loss of time, inconvenience, or any other economic loss.

Some states allow neither limitation on the duration of an implied warranty nor exclusions or limitation of incidental or consequential damages. Therefore, the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
